

## How to Transfer or Multiply into a New Scouting Unit (for Adults!)

---

### Step 1: Go to BeAScout.org

Visit BeAScout.org in your browser.

---

### Step 2: Enter the ZIP Code

Type in the **ZIP code** for the unit you want to join.

---

### Step 3: Choose the Program

Cub Scouts is preselected, but you can change it if needed.

---

### Step 4: Click “Find a Unit”

Browse the list and **find the unit** you want to join.

---

### Step 5: Click “Apply Now”

Once you’ve found the right unit, click **Apply Now**.

---

### Step 6: Select “Adult”

Choose **Adult** as the applicant type.

---

### Step 7: Log In

You’ll be asked if you have a **my.scouting.org** account.

 Select **YES** and **log in**.

---

### Step 8: Warning Message

Because you’re already registered, you’ll see a **warning**.

You now have **two options**:

-  **Transfer** – Removes you from your current unit and adds you to the new one.
  -  **Continue** – Keeps you in your current unit and **multiplies** you into the new one.
- 

### Step 9: Answer Background Questions

Complete the required **background information**.

---

### Step 10: Submit Application

Click **Submit** to send your application to the new unit.

---

### Step 11: Await Unit Approval

The unit will review and **accept your application**.
