

## **Pick Up Where You Left Off: Complete/Withdraw Your Scout Application**

If you started an online application to register but didn't finish it, follow these easy steps:

1.  **Log In**

Go to [my.scouting.org](https://my.scouting.org) and log in using the same credentials you used when starting the application.

2.  **Find Your Application**

On the homepage, look toward the middle of the screen (upper right corner) and click **My Application**.

3.  **Open Your Applications**

On the next page, select **My Applications** (third option across the top).

4.  **Complete or Withdraw Your Application**

You should be able to **pick up where you left off**.

*i.e.* If you had reached the payment screen previously, the application should now be waiting for payment. Just click **Complete Payment** to finalize the registration – or you can choose to **withdraw the application** if you no longer wish to proceed.
